An Income You Can Rely On.

We believe in our ability to provide
You that second income you need.

REAL ESTATE

Real Estate is an important asset class in the our portfolio, as it is the building block for mid term and long term investments. With commercial properties being the best of them all, we analyze the global real estate market and invest appropriately where value is found

VALUATION PROCESS

This is how we know the best properties for our portfolio

- We study the global real estate market
- Our professional real estate agents spot undervalued area
- We leverage on our liquidity for best prices
- We consider ease of access and location reputation

EXCHANGES

Foreign Exchange Market (FOREX) as its popularly know and Commodities (Gold, Oil, Silver) are categorized as exchanges. Because of their volatility and liquidity these securities are leveraged for all our investors. They are mostly short term gains and have certain investment limitations to protect all parties.

VALUATION PROCESS

This is how we know the best currencies for our portfolio

- We study the presiding trend
- Our professional traders analyze the market for patterns
- We take a short term position
- We avoid market traps by sticking our already proven strategy

EQUITES

This refers to companies who have their shares listed in public exchanges (Stocks). We always seeks out overwhelming undervalued companies which has a huge potential of multiple returns. Investing into this means that you are buying an underlying asset of the companies in the GRC investment portfolio.

VALUATION PROCESS

This is how we know the best companies for our portfolio

- We study the company fiscal year report
- Our third party rating companies provides a favorable analysis
- We consider the global human impact of the business
- We exclude companies with negative incident or controversies

PRIVATE SECTOR

This asset class represents our equity in companies who are not listed in public exchanges. They are investment gems capable of unlimited reward if value of is met.

VALUATION PROCESS

This is how we know the best companies for our portfolio

- We study the company fiscal year report
- Our third party rating companies provides a favorable analysis
- We consider the global human impact of the business
- We exclude companies with negative incident or controversies
